## ABOUT US

**Promoting a Thriving Sports Culture for Underprivileged Indian Schools and Youth**

LoveSports India Foundation is a non-profit organization committed to enhancing the educational landscape for underprivileged Indian schools and children by fostering a robust sports culture. Our mission is to unite children and young adults through the power of sports, recognizing the transformative impact it can have on their lives.

Our core belief revolves around the importance of incorporating comprehensive physical training and sports programs within schools. We firmly believe that this approach has the potential to unlock the untapped talents and potential of our nation's youth. Through our dedicated efforts, we aim to fortify the foundations of schools by prioritizing youth development, physical fitness, and sports engagement.

## VISION

**Youth Development:** "Our vision is to empower young individuals through sports, providing them with the skills, values, and opportunities they need to succeed in life. We envision a future where every child has access to quality sports programs that promote leadership, self-confidence, and lifelong health."

**Health and Well-being:** "To improve public health and well-being by playing sports and physical activity a part of everyday life. We aim to reduce the prevalence of sedentary lifestyles and obesity-related diseases, ultimately creating a healthier and happier population."

**Education and Academic Achievement:** "To use sports as a tool for enhancing academic performance and character development among students. We aspire to see schools and communities where sports programs are integrated into education, producing well-rounded individuals who excel both in the classroom and on the field."

**Community Development:** "To revitalize communities through sports, creating spaces for recreation, social interaction, and personal growth. We imagine neighbourhoods where sports facilities serve as hubs for community engagement and improvement."

## MISSION

**Promoting Physical Well-being:** Our mission is to promote physical fitness and well-being by providing access to sports activities and facilities to people of all ages and backgrounds. We aim to inspire a culture of active living, helping individuals lead healthier lives.

**Youth Development:** We are committed to nurturing the next generation of athletes and leaders. Our mission is to identify and develop young talent, offering them opportunities to excel in sports while instilling important life skills such as teamwork, discipline, and perseverance.

**Infrastructure Development:** We are committed to improving sports infrastructure in under privileged communities. Our mission is to build and maintain sports facilities that provide safe and accessible spaces for people to participate in sports and physical activities.

**Continuous Improvement:** We are committed to continuous learning and improvement. Our mission includes regularly evaluating our programs and initiatives to ensure they are effective in achieving our vision and making necessary adjustments to better serve our communities.

## **FOUNDER & CHAIRMAN**

**PRAMOD MISTRY**

**My vision for sports is to promote sports as a means of achieving positive social change. This could involve using sports to promote health and fitness, encourage teamwork and leadership, foster community engagement and social integration, and provide opportunities for personal growth and development.**

**My goal is to prioritize making sports accessible to underprivileged and marginalized communities, especially youth, by providing resources such as equipment, training, and facilities. This could involve partnering with local organizations, schools, and government agencies to create sustainable programs that address the specific needs and interests of the community.**
